Contact us now to find out how you can have Moove&Groove for your residents

*Equipment is leased to you during the terms of the agreement and we will troubleshoot and diagnose any equipment problems and will commit to replace such equipment at no charge should it be faulty. However should the equipment be damaged or lost as a result of negligence, mishandling and or actions of staff, residents or others at the facility then Moove & Groove will not be liable to replace such equipment but you can request replacement of the equipment. Should the subscription be canceled then equipment will need to be returned in good working order within 30 days.
